## Dyslexia Certificate Program Participants Agreement

By initialing each of the following, you understand and/or agree to the terms outlined in each statement:

I read the entire Dyslexia Certificate Program Guide.

I am responsible for completing the course content within the week it is posted.

I will contact DTI staff, as soon as possible, if unforeseen circumstances impede my ability to complete content on a weekly basis.

I understand that I am required to read each discussion thread, unless it is noted as optional content.

I understand I am not required to post a response on every discussion thread, but I am required to respond to all discussion threads/topics that require me to answer a question, complete a task/assignment, and/or post a reflection response.

I am required to complete the content of the first course, unless I completed the first course previously.

I understand I am required to watch the recorded version of any webinar I cannot attend during the live presentation.

I understand that if I do not complete the assignments, quizzes, midterm and/or final with a passing grade, this may result in not being able to continue in the program. I understand I will be allowed one retake for the assignments, quizzes, midterm and final.

I understand that the Dyslexia Certificate Program does not train me to diagnose dyslexia.

I have read and understand the refund section of the program guidelines.

### **Payment Section:**

\*This section only needs to be initialed if participant is choosing the payment plan option\*

I understand, if I select the payment plan option that my first payment is due *before* the first day of the program. If it is not received by DTI I will not be activated in the course.

If my payment (second and/or third installment) is not received on or before the indicated dates on the payment plan, I understand I will be deactivated from class site. I may be reactivated if I make payment within five days.

\_ I understand that the student I choose for the practicum must be a native English speaker.

\_\_ Upon successful completion of the coursework, should I decide not to complete the practicum, I understand that I can obtain a certificate of completion for the coursework and there is not a difference in tuition cost, should I decide not to complete the practicum.

\_\_ I understand the practicum lessons with my students are to be completed in person (not online), unless DTI has approved the supervised practicum to be completed online (DTI approval needed).
